The Volunteer Program

The Community Care Volunteer Program provides social support to aged people and those with a disability, to help them stay in their own homes for longer.

Your **life experiences, compassion and desire** to assist people qualify you for this role, which is to offer companionship and social support to our valued CatholicCare clients and participants.

Ongoing training and support is provided for volunteers through CatholicCare's Community Care Program.

A few hours a week or a few hours a month - **whatever time you have to spare can make a big difference to someone else's life.**
